

# HealthCare2gether Society

**CHAIRS & STAFF** Dr. Sandy Bidner | Aya Kagade, MHA | Heidi Benish

On-going Program    One-time Program   |    Virtual    Face to Face

## Description

To further creating fraternity and professional enrichment that strengthens the shared interests of Partnership community health professionals and Galilee Medical Center, the HealthCare2gether society (the "Society") will be a wide based community advisory board consisting of an Israeli chair, an American chair and a Board Member (appointed or elected) from each of the communities and champions. The regional board members will work to organize community chapters of the Society and foster promotion of the society in close coordination with each local Federation.

## Goals

1

Create a wider base for sharing professional knowledge, experience, and interaction

2

To connect to programs such as Tikkun Olam, musical programs, and more

3

To establish a network of professionals to promote activities of a medical and non-medical nature of interest

## Measurable Objectives / Outcomes

1. The Society members will either participate themselves in our medical seminar fall 2022 or bring in other healthcare providers, a total of 6-10 participants
2. At least four members/champions will market our MedPep and student Externship projects

## TARGET AUDIENCE

<b>PRIMARY</b>	Healthcare professionals from Israel, Budapest and the USA communities.
<b>SECONDARY</b>	100 - 200 (students and Partnership audience)

## BUDGET

<b>Total Cost Of Program</b>	\$4,000 (video clip, meetings, prizes for students, social Zoom events, etc.)
<b>Expected Participation Fee</b>	
<b>Funding From Other Sources</b>	
<b>Total Request From Partnership</b>	\$4,000
