

School Twinning

CHAIRS & STAFF Tony Ziv | Jessica Diric | Noam Schlanger

On-going Program One-time Program | Virtual Face to Face

Description

Develop and strengthen twinning connections (sister classes) between schools in the WG, Budapest and the Consortium Communities. Students and educators from the communities get to know Israel and connect with Israelis, while the Israeli students and educators connect with their larger Jewish family outside of Israel, thus further developing a sense of Jewish peoplehood.

Goals

1

Connect students and educators from Israel, Budapest, and USA with each other

2

Foster sense of Jewish peoplehood among students and educators

3

Expose the students, their families and the educators to Partnership and other programs

Measurable Objectives / Outcomes

1. Foster at least 15 twinning connections
2. Have each twinning connection interact at least twice a year
