

Educators' Delegation to the US

CHAIRS & STAFF Tony Ziv | Jessica Diric | Noam Schlanger

On-going Program One-time Program | Virtual Face to Face

Description

Strengthen twinning connections and expose Israeli educators to American Jewish education system. By visiting the communities, Israeli educators get to meet in-person with their twin class teachers, learn about Jewish life outside of Israel and teach in the local schools. The American and Israeli teachers have the opportunity to plan in person. Tentative travel date-April 2022.

Goals

1

Connect educators from Israel, Budapest, and USA with each other

2

Promote better twinning experience through face-to-face encounters

3

Foster deeper understanding of Jewish life outside of Israel among Israeli educators

Measurable Objectives / Outcomes

1. Visit at least three communities
2. Have at least six Israeli participants
3. At least three new twinning relationships to be formed after the visit

TARGET AUDIENCE

PRIMARY	Educators in the formal and informal education systems in Israel and the USA
SECONDARY	Schools families and larger audiences in the communities where the delegation visits

BUDGET

Total Cost Of Program	\$18,000
Expected Participation Fee	
Funding From Other Sources	\$3,000
Total Request From Partnership	\$15,000
