

# Youth Leadership Program

**CHAIRS & STAFF** Tony Ziv | Jessica Disic | Noam Schlanger

On-going Program    One-time Program   |    Virtual    Face to Face

## Description

Program for leading teens from Israel to connect with youth leadership from our communities and Budapest. The program will start in Israel in the autumn of 2021 and will culminate at an Israeli teens' delegation to the US communities around Yom HaAtzmaut of 2022. The curriculum will stress a pluralistic approach and a sense of belonging and responsibility for the Jewish People all over the world. The program is also meant to encourage youths to consider a JAFI shlichut in the future.

## Goals

1

To create a core group of young leaders, committed to the Partnership's values and goals

2

To foster a strong Jewish identity and enhance knowledge about Jewish life inside and outside of Israel

3

To establish and maintain meaningful, long-term personal relationships with peers in the US communities

## Measurable Objectives / Outcomes

1. Recruit at least 12 participants for the Israeli leadership group
2. Have at least 10 participants who join the delegation
3. Hold at least three virtual meetings with other youth groups during the school year
