Description

The community committee would like to enrich and engage more members from the WG and the diaspora in our partnership.

In order to fulfil this goal, the committee would like to suggest these following projects:

Two Annual Volunteer Events – show our appreciation to our Western Galilee volunteers with two fun and enriching experiences, one around Rosh HaShana and one around Pesach.

Yom HaAtzmaut and Yom HaZikaron events – to bring the Israeli spirit to our partnered communities

Tfutzot/Israel BaSalon – (Diaspora/Israel in your living room): Get a glimpse into the life of world Jewry/ Israelis at parlor sessions. The idea is to gather members of the community in someone's home or in Zoom and discuss in a small, intimate setting Israeli-Diaspora relations.
