

Blended Course

CHAIRS & STAFF Dr. Janan Falach | Dr. Marcy L. Paul | Heidi Benish

On-going Program One-time Program | Virtual Face to Face

Description

Existing academic credit courses that will be taught by two lecturers: one from the Western Galilee College (WGC) and the other from an international institution. The course will include 'cultural differences' sessions followed by lessons delivered by one of the lecturers. This course aims to bring added value and international context for the students.

Goals

1

Encourage discussions and academic discourse while communicating the shared lessons

2

Create an academic space and structure for critical thinking around specific topics

Measurable Objectives / Outcomes

1. 75% of the students will express enthusiasm about the program in their written evaluation form
2. 75% of the involved institutions will continue the program within the next two years
3. 25% of the students will stay in contact with each other

TARGET AUDIENCE

| | |
|------------------|---|
| PRIMARY | Approx 15 – 30 students from each institution |
