Description

Support and develop our group of 10 business leaders and their spouses in the WG to continue learning about the world of P2G and the Jewish communities in the Diaspora. In the past they hosted the COL and are these days exploring news ways to connect with peers in the partnered communities. In 2022 the members will meet up with their American peers Face to Face and set up a joint workplan for Tikkun Olam in the Partnership.

The Israeli members meet 4-6 times a year for exploring the region, visit other Partnerships, do networking and connecting.

Considering a mentoring program where they can share their business experience with young Start-Upers in the region.

Goals

1

Support and develop the group of business leaders in the WG Partnership for social networking and exchange of knowledge
